Description			
Add git clone dolfin commands here or at the dolfin project?			

History

#1 - 09/30/2013 12:49 pm - Aurélien Larcher

- Status changed from New to Closed
- Assignee set to Aurélien Larcher

They were already in the documentation that I wrote last year on the Wiki.

I put them here if they are modre visible like that http://dryad.csc.kth.se/projects/site/wiki/How_To instead of in the FAQ
